Primary School

SCHOOL PROSPECTUS

part of the Three Saints Academy Trust

“Pupils, including children in early years, enjoy coming to school. They benefit from strong and supportive relationships with staff.” - Ofsted 2022

Growing, Learning and
Achieving Together

Welcome from the Headteacher

A very warm welcome to Willow Tree Primary School. As Headteacher, I am delighted to introduce you to our wonderful school, where our vision—Growing, Learning and Achieving Together—is at the heart of all we do.

We are incredibly proud of our school community. Our dedicated and hardworking staff are committed to providing a nurturing, inspiring, and inclusive environment where every child can thrive. Our children are at the centre of everything—we are constantly inspired by their curiosity, creativity, and kindness.

We are extremely proud of the rapid improvements in school, and this is reflected in the joy, care and high expectations that shape every aspect of school life.

We also know that education works best when we work together. Parents and carers are our valued partners, and we deeply appreciate the role you play in your child's learning and development.

If you are considering joining our school family, we would be delighted to welcome you for a visit. It's the best way to experience the warmth, joy and spirit of our school in action. We would love to meet you and your child and share all that makes our school so special.

Miss M Slingsby
Executive Headteacher

Our Lunar Curriculum

At Willow Tree Primary, we are proud of our bespoke Trust curriculum, carefully designed to meet the needs and starting points of our children. It is ambitious for all pupils, whatever their background or ability, and aims to inspire a love of learning across all subjects. Our children benefit from specialist teaching in sports, and enjoy a wide range of trips, visits and visitors that help bring the curriculum to life. Pupils are active, passionate leaders who play a key role in shaping our school community.

As they move through school, they also work towards completing their '50 Things To Do Before you Leave Willow Tree' challenge—an exciting part of school life that celebrates experience, adventure, and personal growth.

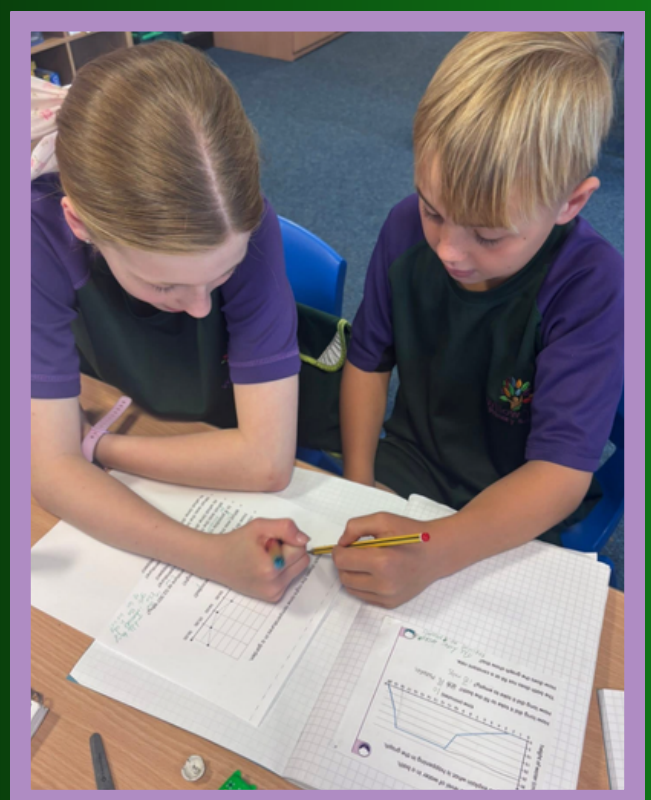

“ My children enjoy going to school which is so important to me. My child has expressed that he feels listened to and supported by his teacher” - Parent questionnaire
October 2025

"The school undoubtedly cultivates a robust sense of community. The staff members are committed to nurturing a comprehensive learning environment, focusing on the national curriculum while also fostering personal qualities like mutual respect and support, expanding horizons, and encouraging personal goal-setting. My daughter genuinely enjoys her time there." - Parent Questionnaire January 2025

"Pupils behave well, both in lessons and around the school. They are well mannered and respectful towards each other and with staff," - Ofsted 2022

"Nurturing bright futures beneath the Willow Tree" - Parent Questionnaire January 2025

Breakfast and After-School Club

We operate wraparound care in the form of a breakfast and after school club which are open to all pupils in the school.

The breakfast club runs each day from 8am until 8.45am, and after school club from 3.15pm until 5.45pm.

The clubs are run by school staff, to ensure that there is continuity and to enable children to feel safe with familiar adults.
